DE KEIZER ETEN & DRINKEN

A place where you can enjoy delicious food & lovely drinks. On our menu you will find local food with an international flavour, which is served in the restaurant, in the cosy seated area, in the atmospheric garden room or on the porch by the fire. This is a place where you can just walk in with your hiking shoes on for a good cup of coffee and some homemade pie, or try many delicious tasting foods. You can also see the cook busy with his charcoal oven in the open kitchen. The smell of pure and natural food spreads throughout the different areas.

Welcome to De Keizer eten & drinken

Enjoy various local foods with an international flavour. Some of our dishes are made in a unique charcoal oven. This oven creates a special flavour, where the succulence and the purity of the food is retained. Put together a dinner à la carte or taste Chef's surprise menu.
